---

Pursuant to Fed. R. Civ. P. 65 and Local Rule 65, Plaintiffs Oregon Natural Desert Association (“ONDA”) and Western Watersheds Project (“WWP”) respectfully request that the court enter an order immediately enjoining Defendant United States Department of the Interior from authorizing any livestock grazing on the Bully Creek Pasture in 2007, as described in ONDA’s memorandum in support of this motion. The undersigned hereby certifies that counsel for Plaintiffs contacted the Department of Justice regarding this motion, but that the DOJ was unable to provide a position on the motion.

ONDA respectfully requests that this court grant the following injunctive relief:

1. An order barring Defendant from authorizing any livestock grazing on the Bully Creek Pasture in 2007.

and any other such further relief as the Court deems just and proper.

In support of this motion, ONDA respectfully refers the Court to the Memorandum in Support of Plaintiffs' Motion for Temporary Restraining Order and/or Preliminary Injunction, and the Declarations of Gene Bray, Bob Moore, Kristin F. Ruether, and James Shake, filed herewith.

DATED this 30th day of March, 2007

Respectfully Submitted,

s/ Kristin F. Ruether
